

Madison Primary Center Partnership

- **Volunteer to help in a kindergarten class**
 - **work one on one or in a small group**
 - **once a week (or more if desired)**

What an opportunity to share your life and your gifts of praise, encouragement, love and friendliness; as well as a spirit of Christian joy!

- **Donate hat, gloves, mittens, and scarves**
 - **A need for at least 100 children at Madison**
 - **Knit or crochet or purchase (some stores will give discounts if they know you’re buying to help children in schools)**
 - **Bring to First Church and drop off in the designated box for Madison Primary**

What an opportunity to share your Christian love and concern for these children! Children range from Kindergarten through 4th grade.

Madison Primary Center is just four or five blocks from First Church. They already have two or three scout groups that use our church members as leaders. Those who serve will be so pleased to see the smiles on the children’s faces and experience the pride that everyone has when the task is so well done.

If you are interested or have questions, please call Pauline Medhurst (277-2726).

We would love to begin helping the children sometime in January!
