

COVENANT DISCIPLESHIP GROUPS

First United Methodist Church / 333 N. Main Street / South Bend 46601

How you might develop your Christian life?

May we suggest that you consider becoming a member of a Covenant Group.

Members of these groups are Christian disciples who are a “work in progress”!

Here's what we do:

- We meet weekly for an hour only.
- Time is spent in sharing what is going on in our lives and our church.
- When difficulties occur for one of our group, we discuss how each of us can help.
- In addition we talk about how we can further serve God as His disciples.
- We also read scriptures and share our understanding of the passages as well as how each relates to our lives.
- From time to time we discuss our role as Christians in local, national and world situations.

We would like to invite you, our church members and church family, to attend some of the sessions.
