

## INTRODUCTION TO THE LENTEN BOOKLET

During Lent it is the concern of the members of the Education Commission that each of you will take time each day to add many steps in your Christian walk. This booklet has thoughts that members of our church are sharing with us. A new dimension of the booklet is that once a week we will have an activity that will generate responses to questions or situations. These activities may be ongoing for you and hopefully create a closer relationship with God and His son, Jesus Christ. You may even find someone at First Church to share your ideas with (a First Meth Buddy).

We hope you will GROW in Christian love REACH OUT to others in our church fellowship and INVITE others to Christ by your life, your words and your service. Jesus said, "Take up your cross and follow me."
